### Warning

Cash drawer keys (2 pieces) are one-on-one, but not absolutely. So please keep it safe. If you lose the keys, you can only use another cash drawer or repair.

## **Two checking slots**

Receipts, cheques, cash, etc.  
can be inserted from here

## **The coin tray is removable.**

So it is easy to take out or put into receipts, cheques, cash , etc.

## **You can increase or decrease the coin numbers as needed.**

The partition in the middle of the coin box can be taken out and installed easily, which can let you adjust coin grid numbers and sizes freely

## Cash drawer tray adopts ABS plastic.

The whole bill and coin tray can be taken out and the number and size of the bill grids can be adjusted.

## Smooth roller

to make the cash drawer  
opened or closed smoothly

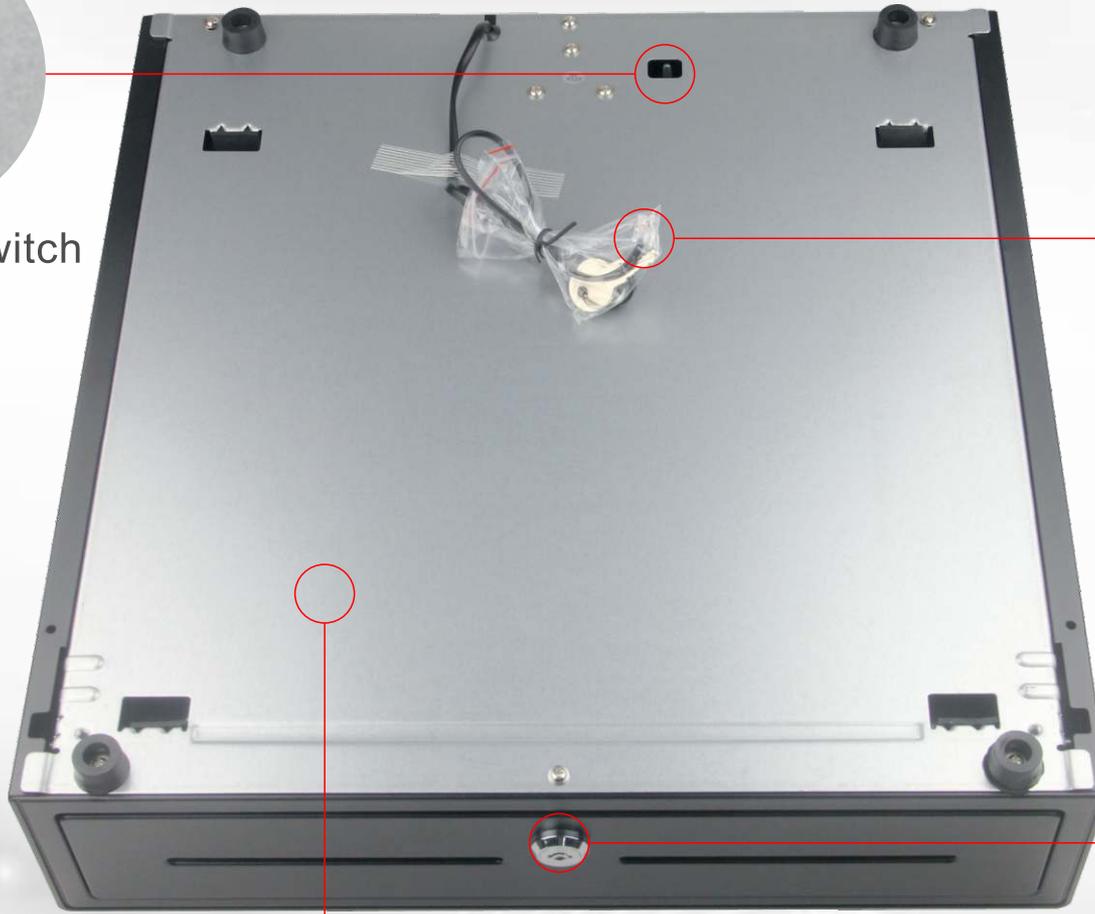

# Open the cash drawers three options

- A. Opened by keys
- B. Opened by printer driving
- C. Opened by the emergency button at the bottom

Emergency switch

Ports to connect  
with printers

The bottom sheet is made of electro-galvanized and fingerprint-resistant steel, which has good structure, high strength and strong bearing capacity.
